

HÜTF Halk Sağlığı Anabilim Dalı
2017-2018 Akademik Yarıyılı İlkbahar Dönemi Makale Programı

Tarih	Araştırma Görevlisi/Danışman	Makale Adı	Makale Künyesi/DOI Numarası
12 Şubat 2018	Arş. Gör. Dr. Merve Parlak Öğr. Gör. Dr. Tülay Bağcı Bosi	Food environments of young people: linking individual behaviour to environmental context	Tyrrell, R. L., Greenhalgh, F., Hodgson, S., Wills, W. J., Mathers, J. C., Adamson, A. J., & Lake, A. A. (2016). Food environments of young people: linking individual behaviour to environmental context. <i>Journal of Public Health</i> , 39(1), 95-104. DOI: https://doi.org/10.1093/pubmed/fdw019
12 Şubat 2018	Arş. Gör. Dr. Duygu Sural Öğr. Gör. Dr. Tülay Bağcı Bosi	Utilization and environmental availability of food outlets and overweight/obesity among schoolchildren in a city in the south of Brazil	Corrêa, E. N., Rossi, C. E., das Neves, J., Silva, D. A. S., & de Vasconcelos, F. D. A. G. (2017). Utilization and environmental availability of food outlets and overweight/obesity among schoolchildren in a city in the south of Brazil. <i>Journal of Public Health</i> , 1-8. DOI: https://doi.org/10.1093/pubmed/fdx017
19 Şubat 2018	Arş. Gör. Dr. Büşra Bahadır Öğr. Gör. Dr. Sema Attila	Effect of complementary food supplementation on breastfeeding and home diet in rural Bangladeshi children	Campbell, R. K., Hurley, K. M., Shamim, A. A., Shaikh, S., Chowdhury, Z. T., Mehra, S., ... & Christian, P. (2016). Effect of complementary food supplementation on breastfeeding and home diet in rural Bangladeshi children. <i>The American journal of clinical nutrition</i> , 104(5), 1450-1458. DOI: https://doi.org/10.3945/ajcn.116.135509
19 Şubat 2018	Arş. Gör. Dr. Eray Öntaş Öğr. Gör. Dr. Sema Attila	Comparing five front-of-pack nutrition labels' influence on consumers' perceptions and purchase intentions	Findling, M. T. G., Werth, P. M., Musicus, A. A., Bragg, M. A., Graham, D. J., Elbel, B., & Roberto, C. A. (2017). Comparing five front-of-pack nutrition labels' influence on consumers' perceptions and purchase intentions. <i>Preventive medicine</i> . DOI: https://doi.org/10.1016/j.ypmed.2017.10.022

26 Şubat 2018	Arş. Gör. Dr. Merve Çolaklar Prof. Dr. Levent Akın	Shift within age-groups of mumps incidence, hospitalizations and severe complications in a highly vaccinated population. Spain, 1998–2014	López-Perea, N., Masa-Calles, J., de Mier, M. D. V. T., Fernández-García, A., Echevarría, J. E., De Ory, F., & de Aragón, M. V. M. (2017). Shift within age-groups of mumps incidence, hospitalizations and severe complications in a highly vaccinated population. Spain, 1998–2014. <i>Vaccine</i> , 35(34), 4339-4345. DOI: http://dx.doi.org/10.1016/j.vaccine.2017.06.075)
5 Mart 2018	Yöntem Makalesi Arş. Gör. Dr. Merve Tufan Prof. Dr. Bahar Güçiz Doğan	Risk Factors for Shoulder Pain in a Cohort of French Workers: A Structural Equation Model	Bodin, J., Garlantézec, R., Costet, N., Descatha, A., Viel, J. F., & Roquelaure, Y. (2017). Risk factors for shoulder pain in a cohort of French workers: A Structural Equation Model. <i>American journal of epidemiology</i> . DOI: https://doi.org/10.1093/aje/kwx218
12 Mart 2018	Arş. Gör. Dr. Zeynep Devran Prof. Dr. Nesrin Çilingiroğlu	Disparities in injury morbidity among young adults in the USA: individual and contextual determinants	Schmidt, S., & Sparks, P. J. (2018). Disparities in injury morbidity among young adults in the USA: individual and contextual determinants. <i>J Epidemiol Community Health</i> , jech-2017. DOI: http://dx.doi.org/10.1136/jech-2017-210259
12 Mart 2018	Arş. Gör. Dr. Çağla Susuz Prof. Dr. Nesrin ÇİLİNGİROĞLU	Disparities and change over time in distance women would need to travel to have an abortion in the USA: a spatial analysis	Bearak, J. M., Burke, K. L., & Jones, R. K. (2017). Disparities and change over time in distance women would need to travel to have an abortion in the USA: a spatial analysis. <i>The Lancet Public Health</i> , 2(11), e493-e500. DOI: https://doi.org/10.1016/S2468-2667(17)30158-5
19 Mart 2018	Arş. Gör. Dr. Merve Parlak Prof. Dr. Hilal Özcebe	Depression, anxiety, and smartphone addiction in university students- A cross sectional study	Boumosleh, J. M., & Jaalouk, D. (2017). Depression, anxiety, and smartphone addiction in university students-A cross sectional study. <i>PLoS one</i> , 12(8), e0182239. DOI: https://doi.org/10.1371/journal.pone.0182239)

19 Mart 2018	Arş. Gör. Dr. Duygu Kavaklı Prof. Dr. Hilal Özcebe	Risk Factors for Smartphone Addiction in Korean Adolescents: Smartphone Use Patterns	Lee, H., Kim, J. W., & Choi, T. Y. (2017). Risk factors for smartphone addiction in Korean adolescents: smartphone use patterns. <i>Journal of Korean medical science</i> , 32(10), 1674-1679. DOI: https://doi.org/10.3346/jkms.2017.32.10.1674
26 Mart 2018	Arş. Gör. Dr. Zehra Gürel Prof. Dr. Şevkat Bahar Özvarış	Prevalence and circumstances of forced sex and post-migration HIV acquisition in sub-Saharan African migrant women in France: an analysis of the ANRS-PARCOURS retrospective population-based study	Pannetier, J., Ravalihasy, A., Lydié, N., Lert, F., du Loû, A. D., & Parcours study group. (2017). Prevalence and circumstances of forced sex and post-migration HIV acquisition in sub-Saharan African migrant women in France: an analysis of the ANRS-PARCOURS retrospective population-based study. <i>The Lancet Public Health</i> . DOI: https://doi.org/10.1016/S2468-2667(17)30211-6
26 Mart 2018	Arş. Gör. Dr. Tülin Çoban Prof. Dr. Şevkat Bahar Özvarış	Community resource centres to improve the health of women and children in informal settlements in Mumbai: a cluster-randomised, controlled trial	More, N. S., Das, S., Bapat, U., Alcock, G., Manjrekar, S., Kamble, V., ... & Osrin, D. (2017). Community resource centres to improve the health of women and children in informal settlements in Mumbai: a cluster-randomised, controlled trial. <i>The Lancet Global Health</i> , 5(3), e335-e349. DOI: https://doi.org/10.1016/S2214-109X(16)30363-1
2 Nisan 2018	Yöntem Makalesi Arş. Gör. Dr. Şahin Can Özaltun Öğr. Gör. Dr. Meltem Şengelen	A scoping review and survey provides the rationale, perceptions, and preferences for the integration of randomized and nonrandomized studies in evidence syntheses and GRADE assessments	Cuello-Garcia, C. A., Morgan, R. L., Brozek, J., Santesso, N., Verbeek, J., Thayer, K., ... & Schünemann, H. J. (2018). A scoping review and survey provides the rationale, perceptions, and preferences for the integration of randomized and nonrandomized studies in evidence syntheses and GRADE assessments. <i>Journal of clinical epidemiology</i> , 98, 33-40. DOI: https://doi.org/10.1016/j.jclinepi.2018.01.010

9 Nisan 2018	Arş. Gör. Dr. Duygu Sural Prof. Dr. Dilek Aslan	Linking data sources for measurement of effective coverage in maternal and newborn health: what do we learn from individual-vs ecological-linking methods?	Willey, B., Waiswa, P., Kajjo, D., Munos, M., Akuze, J., Allen, E., & Marchant, T. (2018). Linking data sources for measurement of effective coverage in maternal and newborn health: what do we learn from individual-vs ecological-linking methods?. <i>Journal of global health</i> , 8(1). DOI: https://doi.org/10.7189/jogh.08.010601
9 Nisan 2018	Arş. Gör. Dr. Merve Pul Prof. Dr. Dilek Aslan	Achieving universal health coverage in small island states: could importing health services provide a solution?	Suzana M, Walls H, Smith R, <i>et al</i> Achieving universal health coverage in small island states: could importing health services provide a solution? <i>BMJ Global Health</i> 2018;3:e000612. DOI: https://doi.org/10.1136/bmjgh-2017-000612
16 Nisan 2018	Arş. Gör. Dr. Tuğba Demir Prof. Dr. Ali Naci Yıldız	Associations between healthcare worker participation in workplace wellness activities and job satisfaction, occupational stress and burnout: a cross-sectional study in Botswana	Ledikwe, J. H., Kleinman, N. J., Mpho, M., Mothibedi, H., Mawandia, S., Semo, B. W., & O'Malley, G. (2018). Associations between healthcare worker participation in workplace wellness activities and job satisfaction, occupational stress and burnout: a cross-sectional study in Botswana. <i>BMJ open</i> , 8(3), e018492. DOI: http://dx.doi.org/10.1136/bmjopen-2017-018492
16 Nisan 2018	Arş. Gör. Dr. Duygu Kavaklı Prof. Dr. Ali Naci Yıldız	Psychosocial job stressors and suicidality: a meta-analysis and systematic review	Allison Milner, Katrina Witt, Anthony D LaMontagne, Isabelle Niedhammer. Psychosocial job stressors and suicidality: a meta-analysis and systematic review. <i>Occupational and Environmental Medicine</i> . 2018;75(4):104531. DOI: http://dx.doi.org/10.1136/oemed-2017-104531

30 Nisan 2018	Yöntem Makalesi Arş. Gör. Dr. Tuğçe Mehlika Şanver Prof. Dr. Banu Çakır	Measuring childhood cancer late effects: evidence of a healthy survivor effect	Asdahl, P. H., Ojha, R. P., Winther, J. F., Holmqvist, A. S., de Fine Licht, S., Gudmundsdottir, T. Madanat-Harjuoja, L., Tryggvadottir, L., Anderse, K. K., Hasle, H. (2017). Measuring childhood cancer late effects: evidence of a healthy survivor effect. <i>European Journal of Epidemiology</i> , 32(12), 1089-1096. DOI: https://doi.org/10.1007/s10654-017-0305-4
7 Mayıs 2018	Arş. Gör. Dr. Eray Öntaş Yrd. Doç. Dr. Mahmut Yardım	Academic advocacy in public health: Disciplinary 'duty' or political 'propaganda'?	Smith, K. E., & Stewart, E. A. (2017). Academic advocacy in public health: Disciplinary 'duty' or political 'propaganda'? <i>Social Science & Medicine</i> , 189, 35-43. DOI: https://doi.org/10.1016/j.socscimed.2017.07.014
7 Mayıs 2018	Arş. Gör. Dr. Tülin Çoban Yrd. Doç. Dr. Mahmut Yardım	The effect of rapid privatisation on mortality in mono-industrial towns in post-Soviet Russia: a retrospective cohort study	Azarova, A., Irdam, D., Gugushvili, A., Fazekas, M., Scheiring, G., Horvat, P., ... & Stuckler, D. (2017). The effect of rapid privatisation on mortality in mono-industrial towns in post-Soviet Russia: a retrospective cohort study. <i>The Lancet Public Health</i> , 2(5), e231-e238. DOI: https://doi.org/10.1016/S2468-2667(17)30072-5
14 Mayıs 2018	Arş. Gör. Dr. Zeynep Devran Öğr. Gör. Dr. Tülay Bağcı Bosi	Complete coverage and covering completely: Breast feeding and complementary feeding: Knowledge, attitude, and practices of mothers	Liu, L. K., Lee, W. J., Wu, Y. H., Hwang, A. C., Lin, M. H., Shimada, H., ... & Chen, L. K. (2018). Cognitive Frailty and Its Association with All-Cause Mortality among Community-Dwelling Older Adults in Taiwan: Results from I-Lan Longitudinal Aging Study. <i>Rejuvenation research</i> , (ja). DOI: https://doi.org/10.1016/j.mjafi.2017.03.003
14 Mayıs 2018	Arş. Gör. Dr. Ahmet Koçak Öğr. Gör. Dr. Tülay Bağcı Bosi	Maternal intention to exclusively breast feed among mainland Chinese mothers: A cross-sectional study	Yang, X., Ip, W. Y., & Gao, L. L. (2018). Maternal intention to exclusively breast feed among mainland Chinese mothers: A cross-sectional study. <i>Midwifery</i> , 57, 39-46. DOI: https://doi.org/10.1016/j.midw.2017.11.001

21 Mayıs 2018	Arş. Gör. Dr. Tuğba Meliha Fatma Ercan Öğr. Gör. Dr. Sema Attila	The Association Between Vitamin D Deficiency and Metabolic Syndrome in Korean Adolescents	Yoon-Sook Kim, Jeong Hae Hwang, Mi Ryeong Song, 'The Association Between Vitamin D Deficiency and Metabolic Syndrome in Korean Adolescents' <i>Journal of Pediatric Nursing</i> , Volume 38, 2018, Pages e7-e11, ISSN 0882-5963, DOI: https://doi.org/10.1016/j.pedn.2017.11.005
21 Mayıs 2018	Arş. Gör. Dr. Merve Çolaklar Öğr. Gör. Dr. Sema Attila	Household availability of ultra-processed foods and obesity in nineteen European countries	Monteiro, C. A., Moubarac, J. C., Levy, R. B., Canella, D. S., da Costa Louzada, M. L., & Cannon, G. (2018). Household availability of ultra-processed foods and obesity in nineteen European countries. <i>Public health nutrition</i> , 21(1), 18-26. DOI: https://doi.org/10.1016/j.vaccine.2017.06.075
28 Mayıs 2018	Yöntem Makalesi Arş. Gör. Dr. Güven Gökgöz Prof. Dr. Bahar Güçiz Doğan	Examination of Cause-of-Death Data Quality Among New York City Deaths Due to Cancer, Pneumonia, or Diabetes From 2010 to 2014	Falci, Laura, et al. "Examination of Cause-of-Death Data Quality Among New York City Deaths Due to Cancer, Pneumonia, or Diabetes From 2010 to 2014." <i>American journal of epidemiology</i> 187.1 (2017): 144-152. DOI: https://doi.org/10.1093/aje/kwx207
